

# Will it **SINK?** Will it *float?*

**Alex Horne** tested **seven-year-old Callie's** awesome bathtub invention! We know ducks can float, but what else will float in there? **Let's find out!**

**TASK:** Fill a tub, test objects and see which float or sink! Think about why some float while others don't!

Predict	Sink	Float
Test	Sink	Float

Draw the objects in the correct box.
