

Will it **SINK?**  
Will it *float?*

**Alex Horne** tested **seven-year-old Callie's** awesome bathtub invention! We know ducks can float, but what else will float in there? **Let's find out!**

**TASK:** Fill a tub, test objects, and see which float or sink! Think about why some float while others don't!

Object	Material	Prediction		Test
		Will Float?	Will Sink?	What Happened?
